Game Title: “Mission: Inclusion Possible!”

An Erasmus+ Adventure Hunt for Active Citizens and Peace Makers!

Hosted by: Third Senior High School of Sparta – Erasmus+ Learning Programme

Duration:1–2 hours

Players: Teams of 5–6 students

Goal: Complete as many missions as possible to earn points, have fun, and show how teamwork, inclusion, and active citizenship make a difference in school life.

1. *Welcome All!* – 200 pts

Take a **photo** of your team forming a circle holding hands.
➡️ *Symbolize inclusion and togetherness.*

2. *Dance of Inclusion* – 300 pts

Record a **15-second group dance** that includes everyone — even the shyest teammate! Bonus if someone invents an “Inclusion Move.”

3. *Lost in Translation* – 300 pts

Each team member says “Welcome!” in a **different language**, but… say it **with style** (funny accent, exaggerated gestures, or dramatic acting). Record a video!

4. *The Odd One In* – 200 pts

Take a **photo** of your team including an “outsider” — like a broom, statue, or random teacher — and show how you “include” them in your team spirit!

5. *Speech for Change* – 300 pts

One teammate gives a **15-second “presidential speech”** about making school life fairer and more fun.
🎩 Use any prop you find as a “microphone.”

6. *Active Citizens Got Talent!* – 300 pts

Show your **hidden team talent** — singing, juggling, quoting EU rights dramatically…
The wilder, the better!

7. The Debate of Silly Things – 250 pts

Record a **30-second video** where your team debates a **ridiculous school topic** (e.g., "Which is more important: lunch breaks or homework?"), then resolve it **peacefully using mediation techniques**.

8. *The Kindness Café* – 150 pts

Offer a **compliment** or kind word to someone at school (teacher, student, cleaner).
Take a **photo or selfie** right after — smiles only!

9. *Mediators Assemble!* – 500 pts

Take a 60 second video. Act out a **fake school argument** (e.g. who ate the last cookie) and show how you solve it peacefully. Add dramatic background music for effect!

10. *Peace Negotiators at Work* – 250 pts

Create a **funny pose or statue** of "perfect peace."
Bonus if everyone freezes dramatically for the photo.

11. *Rights & Responsibilities* – 150 pts

Answer in **text**:"Name one right and one responsibility that every EU citizen has."

12. *Brainstorm Bonanza* – 300 pts

Invent a **silly new school rule** that promotes inclusion (e.g. "Hug a teacher day," "Free pizza for teamwork").
Write it and explain *why it's actually genius.*

13. *Mediation in Action* – 300 pts

Create a **short video (max 30 sec)** where your team **acts out a school mediation** — showing how a conflict can be resolved peacefully.
